# THEME OF EDUCATION REVOLUTION GAMIFIED LEARNING

# The Beginning: BE THE CHANGE

**Personalized, Student-Centric Learning:** Tailored academic pathways to meet individual learning needs.

**Beyond the Classroom:** Enabling students to explore, engage, and excel through flexible learning platforms.

**Academic Agility:** Freedom to choose and customize key academic areas to match students' aspirations.

**Real-World Integration:** Moving beyond traditional pen-and-paper methods to hands-on, practical learning.

**Experiential Learning Focus:** Bridging theory with real-world practice to enhance skills and competencies.

**Holistic Development:** Fostering intellectual, emotional, and social growth for well-rounded graduates.

# EDU-REVOLUTION INTERFACE

## Step 1: Access the EDU-Revolution Portal

- Navigate through UMS → LMS → EDU-Revolution: Be the Change,
- or click the dashboard shortcut "Apply for EDU-Revolution." and click on "Get Started" to see the categories

# EDU-REVOLUTION INTERFACE

## Step 2: Choose a Category

Select the category for which you want to submit your nomination.

### Revenue Generation

Earning income during studies through various activities like Open Projects, Free Lancing, Start Ups, Entrepreneurial Ventures, Part time Jobs, Digital Marketing, Online Teaching.

### Project

Various projects from standardized sources that student can take up for getting hands on experience and solving real world problems.

### Social Media Presence

Using social media strategically to enhance academic visibility, share learning experiences, connect with peers and educators, and engage with university-related activities while ensuring content remains respectful, professional, and aligned with academic and university values.

# EDU-REVOLUTION INTERFACE

**Step 3 : Read the undertaking carefully  
Click on Accept and continue to  
see the course list.**

## Project

Various projects from standardized sources that student can take up for getting hands on experience and solving real world problems.
